

# Etiquette & Expectations

Expect to have a great time!

## **Proper dance shoes are required**

Find out what the appropriate shoe for class is when you sign up!

## **Dress code for ballet:**

For girls, a leotard & tights of any color is required. Ballet skirts & shorts are allowed. Hair in a bun. For boys: A fitted shirt, dance pants, tights, or shorts. Long hair must be pulled back.

## **Dress code for all other classes:**

We strongly recommend a leotard & tights, hair in a bun! A fitted top, ballet skirt, dance shorts, leggings, jazz or yoga pants are fun & fine choices too! No jeans! Long hair must be pulled back. Baggy pants can only be worn in hip hop.

Dancers also gain...

Coordination, spacial awareness and development, camaraderie, listening skills, flexibility, calculating & planning skills, musicality, communication skills, confidence, self-discipline, cardiovascular exercise, sequential learning, creative expression, sense of accomplishment, strength & new friends!

## **We are big on manners!**

Being a successful dancer requires lots of patience. Please practice your patience immediately upon entering the studio. Wait quietly in the waiting areas for your teacher. Please do not interrupt class, or enter the studio without being invited in.

Attendance is extremely important. Dancers will be preparing for their annual recital & depend on one another. If the dancer needs to miss class, please call or email in advance so arrangements can be made.

Be on time for class! We realize everyone is human, and once in a while there's really awful snow to drive through! We don't want our dancers to get hurt if they miss warm up, or make a habit of tardiness. Dancers entering the studio late are also a class distraction. A dancer more than five minutes late may be asked to observe rather than dance, as they have missed part of warm up.
